IMPACT REPORT

List of Donors

SYCAMORE LAND TRUST

Thank you! These are words we simply can't say enough. The work Sycamore Land Trust accomplishes is made possible by our members, and we're happy to say that we are stronger than ever. Thanks to you and more than 1,200 other members across southern Indiana, Sycamore has forever saved 9,400 acres of land (and counting!), actively stewards that land to restore habitat for native species, and reaches more than 5,000 people a year through environmental education programs. And many more thousands of people enjoy the great outdoors by hiking and visiting our public nature preserves each year.

To see a PDF of our 2017 Impact Report, visit sycamorelandtrust.org/impact. On our website you'll also find lots of great information, such as nature preserves to visit and upcoming outdoors events. We hope to see you at a Sycamore event soon, and hope you will continue your membership for many years.

In this document you'll find a comprehensive list of all Sycamore donors from 2017. If you believe we've made an error in neglecting to print someone, please let us know. Email info@sycamorelandtrust.org or call 812-336-5382 ext. 100.
