## 2016 Impact Report - Donors Sycamore Land Trust

Protecting land takes the work of many people. It also takes financial support, which is used to purchase land, steward it, prepare it for public use, provide administrative work, and provide environmental education to more than 4,000 participants.

These individuals, families, businesses, and foundations supported Sycamore in 2016 through financial and in-kind donations that helped us continue a 27-year tradition of protecting land and connecting people to nature in southern Indiana. Truly, we could not do this important work without their support.

To view our 2016 Impact Report, full of stories, facts, and data about our accomplishments last year, visit [www.sycamorelandtrust.org/impact](http://www.sycamorelandtrust.org/impact). On our website you'll also find info on our [public nature preserves](#), [outdoors events](#), and how to [become a member](#). To be better stewards of your donations and our shared environment, we have chosen to do only a digital list of donors, rather than print it with the Impact Report which was mailed to our donors. If you believe your name was omitted from this list in error, please contact [susan@sycamorelandtrust.org](mailto:susan@sycamorelandtrust.org)

**Thank you to all our members!** We hope you're proud of the work we've accomplished together.
