eastern hemlocks at  
**Trevlac Bluffs

"Whoa, look at that!" Nature encourages curiosity and awe. Thanks to your support and an endowment opportunity, our Environmental Education Program continues to inspire people of all ages.

## Donors make a heartfelt commitment to environmental education

In a dedicated and far-thinking act, an anonymous couple gave \$100,000 and pledged a \$250,000 match to fund a permanent full-time environmental educator. Sycamore is committed to connecting people like you to nature through our education initiatives. With a few more donors to help complete the match and fund the \$1 million endowment, the program will become an even more vibrant part of Sycamore's work.

*"We've always been interested in preserving land and feel a responsibility to have people not just enjoy but to learn more about it."*

*-Anonymous donors who are seeding the Environmental Education Endowment*

## We can't say enough good things... about our volunteers!

Trail building. Education. Events. Photography. Endless opportunities to work together to protect our home! In just one example, volunteers with the Hoosier Hikers Council began building a 2-mile trail at our Laura Hare Nature Preserve at Downey Hill. From laying out the route to putting on the finishing touches, these volunteers are creating something that visitors like you will enjoy for many years to come.

Thank you to all our volunteers for your commitment to making our region an even better place to live!

*"I've been doing trail work for 10 years. But I learn something new every time I go out."*

*-Jim Shearn, Volunteer*

## Thank you, donors!

You have our profound appreciation. View a list of 2014 donors at [www.sycamorelandtrust.org](http://www.sycamorelandtrust.org).

**A COUPLE HIGHLIGHTS**

## Financials

For Fiscal Year 2014 (July 1, 2013 - June 30, 2014)

Sycamore's financial picture remains strong. Remaining assets were invested in stewardship endowment, legal defense fund, operating reserve, and interest-bearing investments.

Above: Hoosier Hikers Council volunteer Bonnie Wilcoxon enjoys a beautiful spring day with the rest of the crew at the Laura Hare Nature Preserve at Downey Hill. Thanks to their expertise and hard work, you'll soon be able to explore a new trail!
