

*Thank you* for your interest in protecting nature with Sycamore Land Trust! Since 1990, we have been protecting forests, wetlands, family farms, and sensitive habitat, and connecting people to nature in southern Indiana through our hands-on Environmental Education program. Our supporters take pride in helping to save land and protect the environment for future generations, and we would love to welcome you to the Sycamore community. We are pleased to offer the following benefits. These benefits last for twelve months from the date of your donation.
