IMPACT REPORT

List of Donors

Sycamore Land Trust

Thank you! These are words we simply can't say enough. The work Sycamore Land Trust accomplishe is made possible by our members, and we're happy to say that we are stronger than ever. Thanks to you and more than 1,130 other donors across southern and central Indiana, Sycamore has forever saved 9,700 acres of land (and counting!), restores habitat for native species, and reaches more than 6,800 people a year through environmental education programs. And many more thousands of people enjoy the great outdoors by hiking and visiting our public nature preserves each year.

To see a PDF of our 2018 Impact Report, visit sycamorelandtrust.org/impact. On our website you'll also find lots of useful information, such as nature preserves to visit and upcoming outdoors events. We hope to see you at a Sycamore event soon, and hope you will continue your membership for many years.

In this document you'll find a comprehensive list of all Sycamore donors and volunteers from 2018. If you believe we've made an error, please let us know.
