THANK YOU!

THESE ARE WORDS WE SIMPLY CAN'T SAY ENOUGH

The work Sycamore Land trust accomplishes is made possible by our members . Thanks to your generous support, this year we are proud to say we are stronger than ever.

Because of you and more than 1,400 other members across southern Indiana, Sycamore continues to preserve more than 10,000 acres of land, actively stewarding that land to restore habitat for native species. Our environmental education programs are designed to reach more than 6,000 people a year and help connect them to nature. And many more people are getting outdoors by hiking and visiting our public nature preserves than ever before.

To see a PDF of our 2020 Impact Report, visit sycamorelandtrust.org/impact

On our website you'll find more information about visiting our preserves and upcoming events. We hope you'll become even more involved with our programs and continue your membership for many years to come.

This document contains a comprehensive list of all Sycamore donors and volunteers who contributed to our work in 2020. Thank you for your valuable contributions to this important work.
